AFFIRMATIONS FOR THE POWER OF STRENGTH

God has given me all strength, and this strength gives birth to my true courage.

I have the strength to NOT be hurt by things I may not agree with, and I remain flexible

I have the strength to change my mind - without guilt and without regret.

God is always with me as Life, Light, Strength, and Peace. God never fails.

I do not depend on things of the world to give me courage and strength.

I feel God's Strength established within me, and I am forever upheld.

I am a tower of Strength and stability in the realization that God is my health.
