## Affirmation of the power of Will

*The ability to Choose, Decide, Command, Lead, Determine...*

**Colour: Silver**  
**Disciple: Matthew**

*My will has a spiritual origin, a spiritual character, and a spiritual purpose.*

*My will is not rigid or harsh; my will is pliant and cooperative.*

*Willingness is catching; my willingness towards Good is felt by all.*

*I am willing to do that which God would have me do. God is my constant help.*

*I am willing to let go of all things, which ought to be let go of in my life.*

*I am willing to give up all thoughts and feelings that cause me to be unhappy.*
